

April 5th, 2014 Big Springs AIM / ATA Shoot Schedule And Other Info....

Parents and Shooters.....

The following pages contain the complete schedule for the upcoming AIM / ATA shoot on Saturday April 5th, 2014. Please look over every page and let me know if you have any questions. I submitted the squad lists based on the email responses I got back about spring break availability. I did not get responses back from everyone so I went ahead and registered everyone who did not give me a definite "NO" because of the deadline for registration yesterday. This means there may be some people who need to be removed from the list because they will not be available. **PLEASE DOUBLE-CHECK THE LIST AND LET ME KNOW ASAP IF THERE ARE ANY MISTAKES BECAUSE I WILL NEED TIME TO MAKE SUBSTITUTIONS.**

I have included the complete raw schedule from Mark so that you can see who will be shooting from the other teams and what their order is as well. Please read the Shoot Procedures section that Mark asked coaches to distribute to their parents and teams but **you should disregard any of the payment instructions because I will handling payment and squad check-in for the entire team.**

Please notice that I have decided to schedule the arrival times based on a 60 minute per squad average. I realize that all the squads will not average that pace but if history repeats, the faster squads will cause gaps in the schedule that Mark will fill in with squads that are waiting on slower fields. In other words, the squads that shoot later in the day will possibly be moved to fields that are already finished and the result is that I would rather us be there earlier than later.

Let me give you a quick run-down on the ATA / AIM awards. Awards for ATA and AIM are given out by Category (age group) then by Class (skill level or average). We will be eligible to win in either with category getting precedence. Each of our squads has a category based on the oldest person on the squad and a class based on the total of each individual's average. Usually there are not enough squads to give "A" class awards so Mark combines those with the "B" class. So awards will be given our by category: Junior, Sub-Junior, and Pre-Sub, then by Class A/B, C, D.

That's all for now!

Rob

MTCS Big Springs AIM Competiton Shoot Schedule 4/05/2014

		Field 4

27		37		47		57		67		77		87	
28		38		48		58		68		78		88	

Coaches – We will start the shoot at **9:00 a.m.** You should plan on 60 minutes to 75 minutes for each squad to shoot. It is better to be early than late. If your squad is not at the field and ready to shoot, it will be worked in at the end of the shoot.

Each squad will shoot 50 then take **no more than a 5 minute break** and shoot the second fifty the same way as the first. NOTE: They need to take the **second box to the line** as they start each 50. During the five minute break the shooters should not leave the field.

We will do check in inside the club house. I should have shooters ATA info on file so a Coach or Parent must check in the Team/Squad and pay the Tournament fee, there will be **NO Individual Check Ins.** Please ask your shooters to bring check or cash, preferably exact change if possible, **\$30.00, NO Credit Cards for Tournament Fee.** If they need ammo or other supplies they can do that at the normal spot and then report to their field.

Please Remember we will be **checking in by squads only**, this includes you alternate squads. This is a team event and it would make the check in process run smoother. During all ATA/AIM shoots, restroom in the clubhouse should be for **Ladies only**.

Thank you for your continued patience and support,
Mark Meshotto
