

## Shoot Results and Team Summary from the SCTP shoot on March 16<sup>th</sup>, 2013

Parents and Shooters,

Thanks so much for another great effort Saturday. I especially want to congratulate everyone for being on time and ready for your squad time. The shoot as a whole went very smoothly we looked very polished and professional.

Overall the scores were lower than average because of the tough wind. Much of the day the wind was gusty and blew from different directions making it very difficult to predict the target flight. Overall we handled the conditions well and even had some great scores posted.

As an SCTP shoot there were only squad awards available. Awards for the top three finishers in each of the following squad categories were available: Varsity, Junior Varsity, Intermediate Advanced, Intermediate Entry, Rookie. Of those categories, we entered squads in three: Varsity, Intermediate Advanced and Rookie.

Our Varsity squads finished right off the medal platform with 4<sup>th</sup> and 5<sup>th</sup> place finishes for squads 1 and 2. Combined we easily would have had the best score but we just didn't have the best five scores on a single squad. Congratulations to **Taylor Bolin** for shooting a team best 97 and to **Sam Mathis** for a 95.

In the afternoon our Intermediate Advanced team finished FIRST with a blue ribbon effort lead by **Matthew Swift** with a 92. Continuing the first place theme our Rookies easily won first with a dominating performance shooting nearly 70 targets ahead of second place. The #1 Rookie squad was lead by **Braden Smith** with a 87 but the rookies were very consistent from top to bottom and are easily the best Rookie squad in the state in my humble opinion. As a great bonus our #2 Rookie squad won third place and **Coleman Stacey** paced them with a 76.

Please check out the link below to the pictures that I took from Saturday!
