On May 31st, 2013 – June 2nd, 2013

Parents and Shooters,

Well, with the exception of the Rookies, we had somewhat of a letdown at the Regional's. Our squads got a bad draw with some undesirable fields and poor weather but we can't make excuses at this point in the season. The Rookie squad and Rookie team were the only ones to take home trophies and they won 1st place in both squad and team. I am very proud of how they have been so consistent this year. **Braden Smith** and **Michael Self** both shot 90's and tied for the HOA male Rookie with Michael winning the tie-breaker. Also they posted an incredible 444 as a team which is world class for Rookies. Neither the Varsity nor Intermediate divisions of our team won any squad or team awards. **Sarah Grace Mathis** did win third for individual female in the Intermediate Advanced group. **Lucas Smith** added our best score as a team with a **96** and he was our only shooter on the team to place inside the top 20 individual scores.

On the following page I have included a chart and graph of all the squad scores so far this season. I also added our "trend" which is the dotted line for each division's top squad. Based on these numbers I believe that our V1 squad should shoot a **480**, our IA1 squad should shoot a **455**, and our Rookies can shoot a **445-450** at the TNSCTP State. My goal is for every age group to win a trophy at the TNSCTP state. They will be giving awards for 1st through 5th in both squad and team and I know we can place if we shoot our best. Let's use the next couple of weeks to focus, practice, and make this goal happen!

Only 9 Shooters for MTCS shot 90 or better on Friday / Saturday Including: **Lucas Smith, Taylor Bolin, Brad Black, Nathan Smith, Ashley Swift, Kathryn Byrd, Sarah Mathis, Braden Smith, and Michael Self.**

Our next shoot will be the AIM State on June 11th and June 12th. Stay tuned for more info about this shoot and practice opportunities.
